G.B. Pant Govt. Engineering College, New Delhi

G.G.S.I.P.U. | 72.63 %

Intermediate (2011)

S. H. K. Sarvodaya Bal Vidyalaya, Lajpat Nagar, New Delhi

C.B.S.E. | 61.66 %

Matriculation (2009)

Govt. Boys Senior Sec. School, Andrews Ganj, New Delhi

C.B.S.E. | 78.83 %

PROJECTS

Hotel Management System

The main objective of this project is to Manage Customers details and their Payments details. HMS provides a good insight on how systems work as well as an intuitive graphical user interface.

Projects Undertaken

Real Time Face Detection and Recognition System

We have worked on both face recognition and detection techniques and implemented algorithm for them. We recognize an unknown test image by comparing it with the known training images stored in the database.

Human Activity Tracking and Recognition System

In this project, we have designed a robust activity recognition system based on a smartphone. Our results show that the classification rate of passive learning reaches 96.4% and it is robust to common positions and poses of cellphone.

INDUSTRIAL EXPOSURE

Google Usability Study program (05/2017 – 08/2017)

Google, Gurugram, India

Assisting **Google** in researching, analyzing, and improving the usability of its current and proposed products and services.

YU Ambassador (08/2015 – 10/2015)

YU Televentures Pvt. Ltd., Gurugram, India

Assisted with user-acceptance testing and defect tracking for their new software release. Served as a key member of social media engagement team to promote their products.

Testing (09/2015 – 11/2015)

Open Global Question Corporation, South Korea

Assisted South Korean OGQ (Open Global Question) Corporation Team on the project of Background HD wallpapers app for various platforms to improve their app for Indian users.

HOBBIES

Painting and Sketching
